ONE OF THE WORLD'S MOST ADVANCED SATELLITE PHONE

Designed for professional users, Thuraya XT-Pro is one of the most advanced satellite phone which is ruggedized and equipped with long battery life, ensuring connectivity no matter where you go.

The Thuraya XT-Pro is the first satellite phone with built-in GPS, Beidou and Glonass capability for highest flexibility in all regions. It has a large display and comes with hardened Gorilla glass for harsh environments.

Using the Thuraya XT-Pro you can make phone calls, send messages in satellite mode and also use a satellite data connection to send and receive emails or browse the web with a connected laptop or PC.

For emergencies, it has a dedicated SOS button with advanced navigation and tracking features.

No matter where you are within Thuraya's extensive coverage area or how remote your location, the Thuraya XT-Pro keeps you connected.
